Download [PDF] gastrointestinal imaging case review series

Abdullah is currently a radiology resident with an interest in gastrointestinal imaging, and Syed is a GI fellow specializing in hepatobiliary disease. This book would not have been possible without the mentorship of David Desilets, who has kept a stack of interesting endoscopic images and cases over several decades, and provided expert guidance and oversight. Tara Catanzano, a radiologist ...

50 Gastrointestinal Cases and Associated Imaging PDF

As part of the Rotations in Radiology series, Gastrointestinal Imaging provides a comprehensive review of gastrointestinal diseases through its organization by organ and disease. The book is organized into sections that cover all of the hollow and solid gastrointestinal organs, the peritoneal cavity and abdominal wall; finally, there is a multisystem section that covers diseases affecting ...
