

generation of the last pdf

PDF Generation Library. JagPDF is a free, open source library for generating PDF documents. The goal of this project is to provide a fast and reliable library that is usable in both server and desktop environments.

JagPDF - PDF Generation Library

A generation is "all of the people born and living at about the same time, regarded collectively". It can also be described as, "the average period, generally considered to be about thirty years, during which children are born and grow up, become adults, and begin to have children of their own". In kinship terminology, it is a structural term ...
